State Convention Fast Approaching

The 2003 Texas Council PDCA State Convention is fast approaching. The dates to remember are September 18, 19, 20th. The convention will be held locally at the Mesquite Rodeo & Convention Center and if you have not received information on this event, please contact the staff at R. L. Harkins, Inc. and they will send you everything you need.

If you have never had the opportunity to attend a state or national PDCA convention, this is your chance. This convention will have something for everyone – multiple seminars, a two day trade show, a golf tournament, entertainment for the family, door prizes, the list goes on. Oh, and did I mention, the seminars and the trade show are FREE!!! Send your office staff, send your superintendents & foremen, bring yourself and your family. The seminars are too numerous for you to attend them all, so bring others from your company to help out.

Of course, we would also like for you to register for the convention. The cost of registration covers all of your meals, the rodeo on Friday night and the banquet on Saturday night. There will also be an opening session on Thursday morning and the business meeting on Saturday morning.

Following are the list of seminars currently scheduled:

CONTRACTOR DUES INCREASE PROPOSED:

One topic scheduled to be discussed at the Business Meeting is a proposed dues increase in your state dues. This will be the time to voice any concerns you may have. This meeting will be held during convention on Saturday, September 20th at 8:30 a.m.

How would you like to have your dues paid in 2004? Just have someone from your company attend at least 6 meetings this year and be entered into a drawing to have your dues paid in 2004. One associate and one contractor member will be chosen.

Subject: Thanks to "Our People in The Paint Business"
For your Dallas Quarterly Newsletter

Dear Liz,

The people of Plano East – Neighborhood Associations: Armstrong Park, Dallas North Estates, Douglas, Meadows Addition, Old Town, Plano Park, Village Creek and the City of Plano wish to express Thanks, and Recognition to each Company, and Individual for the generous contributions of Paint for 7 entire homes given to the Plano East, CrimeWatch National Night Out – 2003. Their contributions were utilized by individual home owners for revitalization of their homes in our older, more established neighborhoods that make up Plano East.

The "Revitalization Paint" and the "Revitalized Bicycles" provided such excitement and happiness that we felt we should share it with the folks that truly helped create it. By helping us to create this very successful evening for their "Neighbors" our feeling is that these Paint folks went beyond corporate generosity, to extending real help and true kindness.
